

## Callback List for Middle School CW Auditions 2019-20

Thanks to everyone for auditioning. We were amazed by the pool of talented students who auditioned this year. There are far more qualified students than there are available spots. If you aren't called back to interview this year, please know it's not because you aren't a talented writer, and we highly encourage you to audition again. **The list below contains the middle school students we would like to interview on Saturday, February 16<sup>th</sup>** If your audition number does not appear on the list below, please be aware you will not be able to move on to the next step of the audition; furthermore, we cannot offer you a spot in Creative Writing next year. If that is the case, please consider auditioning again next year. For those students whose audition number and initials are listed below, interviews will be held in the upstairs CW room 232. Please arrive ten minutes early, and due to scheduling our audition panel, **we will not be able to schedule alternative interview times.**

Please note: An invitation to attend the interview does not guarantee a spot in the Creative Writing Department. Openings are determined by positions available in each grade level, as well as scores on the interview and written audition materials. **Notification emails will be sent on February 26<sup>th</sup>.**

**Please note: the list below extends to a second page.**
