## New Business

- Celebrating Seniors (Mr. Fox): Marie Antoinette, Jadeyn Dugger, Rachel Kelly. Congrats one and all! We are so proud of you!
- Johnson and Wales update (Dr. McWright): Vote will be taken May 20<sup>th</sup>. Proposal includes angle of equity, diversity, and inclusion. Potential thought to expand current majors and potentially add three new majors, including Culinary Arts. If Metro joins the J&W campus, potential for connection of DSA students to Auraria Campus, as well. Proposed expansion wouldn't take affect until 2022. Potential expansion of parallel preparatory programs, with focus on increasing diversity among the DSA population.

- Student voice in UIP for next year: students propose taking a ‘deep dive’ into DSA specific student-centered initiatives. Students will sit on CSC, but also work with administration on student equity and culture. Hope to create a more formalized process in student voice in the decision-making process.

-Mr. Fox needs parent or adult volunteers to help with the SBOE rep selection process for next year. Interviews will happen in the next two weeks.

- Review Goals for next year:  
Reference District CSC Handbook: [https://docs.google.com/document/d/1b-ardYCdoM8FQLT\\_FkiHoFj-Fb-QFFtv/edit](https://docs.google.com/document/d/1b-ardYCdoM8FQLT_FkiHoFj-Fb-QFFtv/edit)

- Proposed goals for next year:

-Create a unified mission statement for DSA, incorporating all stakeholder voices

-Align student, parent, educator culture with values, vision and mission

-Set CSC priorities based on these values, vision, and mission.

- Caron and Sarah’s terms as elected parent representatives are ending and elections will need to take place if Dr. McWright would like to fill their seats. (Current District CSC Handbook states minimum of 3 parent representatives.) Mr. Loftus and Mr. Agamite are also finishing their terms as staff representatives. Thank you for your dedication and service.

## ACTION ITEMS

1. Mr. Espinoza has agreed to help facilitate elections for next year’s CSC committee when deemed necessary.
2. Daniel and Paola expressed potential interest in leadership positions next year, but await further information on what that would entail.

- 
- 
3. No elections took place—will likely be deferred to Fall, at Dr. McWright's discretion
