

## Guest Artists & Groceries

Establishing a solid and consistent ***Guest Artists Program*** for our department is a top priority.

Did you know that purchasing weekly groceries/gas/pharmacy items, via your designated guitar major King Soopers gift card, can help make this happen?

Our first check for over \$400 arrived this month (for the purchases we generated in July-September)!

### Fast Facts:

- 58 cards have been distributed.
- 20 families have “reloaded” their card at least once.
- Our goal is to generate \$250 - \$400 per month.

### Tip of the Month!

Use your gift card every time you fill up your tank. In addition to the King Soopers Fuel Centers, many Shell and Loaf & Jug stores are affiliates of this

program! Click on this link to find a participating gas station that’s convenient to you. <http://bit.ly/KingSoopersLocator>

### How can you help?

- Try the program out, if you haven’t already.
- Contact Wendy Fish at [w-fish@comcast.net](mailto:w-fish@comcast.net) for additional cards.
- Urge friends and extended family to participate.
- Use your card every time you shop.
